

Terms of Use – Invite 3 friends & get up to £40 (one-time use booster bonus)

How does the program work?

- 1) The Promotional Period will be from **1st March 2025 to 31st May 2025** inclusive, your “**Give Me £5**” link will include a **booster bonus of £25** when 3 of your friends open a new Multi-Currency Account and each deposits a minimum of £500. (Your friend is not required to maintain a £500 balance for the entire duration of the Promotional Period).
- 2) Each time your friend opens a Multi-Currency Account and deposits £500, a token will appear in your banking app. A maximum of 3 tokens can be earned.
- 3) Once all **3 friends** have deposited **£500** and you have received 3 tokens, you’ll qualify for an £25 referral bonus (which will be credited into your Multi-Currency Account before midnight the next day).
- 4) Once you have collected the £25 referral bonus, the Booster Bonus promotion (this program) will close, and your link will revert to the original “**Give Me £5**” program.
- 5) This booster bonus promotion is an additional, separate program to the “**Give Me £5**” program. Therefore, if your same 3 friends maintain a balance of £500 or more for 3 months, both you and **each of your friends** will each receive **£5** under the “**Give Me £5**” incentive. You could then earn up to **£40*** for referring **3 friends!**

Plus, if your friend becomes our customer during the Promotional Period, they will also be eligible for the booster bonus of **£25** when they refer 3 friends to open a new Multi-Currency Account. As long as the accounts of the 3 referred friends are approved between 1st March 2025 to 31st May 2025 inclusive, they’ll qualify for the **£25** bonus too under the same program referral rules!

* Total amount you can earn is £40 (£25 from this booster bonus program, plus £15 from the original “Give Me £5” program, which is £5 per friend). To be eligible for your “Give Me £5” reward, your friend needs to keep a minimum balance of £500 in their new Multi-Currency Account for a minimum of 3 months, see “Give Me £5” promotion for further details.

The following transactions will **NOT** qualify for this booster bonus program:

1. If your friend does **not use** your unique referral link to open their new Multi-Currency Account.
2. If your friend’s application **does not qualify** for a Multi-Currency Account.
3. If your friend deposits **less than £500** into their new account during the Promotional Period (1st March 2025 to 31st May 2025 inclusive).

4. If your friend's account has been approved outside the dates of the Promotional Period (1st March 2025 to 31st May 2025 inclusive).
5. If your friend closes their new account within the Promotional Period (1st March 2025 to 31st May 2025 inclusive).
6. If **fewer than 3 friends** meet all the **promotional requirements** outlined above.

FAQs:

Q: When will my booster bonus program be paid?

A: Your **£25** will be credited into your Multi-Currency Account before midnight on the following day, once all 3 tokens have been received.

Q: How will I know if I have qualified for the booster bonus program?

A: You can track your referred friend's progress in your banking app, under '**Track Invites**'.

Q: How long is the booster bonus program promotion running for?

A: The booster promotion will run from **1st March 2025 to 31st May 2025** inclusive (Promotional Period). The booster bonus program will expire on the date you have **collected your £25** or at the **end of the promotional period** (31st May 2025), whichever comes first.

Q: How many times can I use my booster bonus program?

A: The **booster bonus program** can be used **once** only. After that, your unique link will revert to the original "**Give Me £5**" program. However, if your friend becomes our customer during the promotional period, they will also be **eligible** for the booster bonus of **£25** when they refer 3 friends to apply a new Multi-Currency Account and is being approved during 1st March 2025 to 31st May 2025 inclusive (Promotional Period).
